Coralogix

Coralogix Logo Pack

Here is our Logo assets pack which you're more than welcome to use.
Please be sure to follow our guidelines as listed below.

Download Logo Package ⬇

Yay!

- Use the logos to link to the Coralogix website
- Use the logos in a blog post or news item about our products
- Use the correct colors, dimensions and spacing

Nay!

- Use the wordmarks without the logo marks or vice versa
- Create any modified versions of the logos
- Integrate our logos into your own logo
- Change the colors, dimensions, or add your own text or images
- Use them in a way that confuses Coralogix with another brand
- Use our logos on a bad contrast background
- Use color overlays
